

Determination & Perseverance
2020's Lessons and 2021's Challenges

A View Into UC's COVID-19 Hospital Command Center

*Presented by:
The University of California's
Medical Center Emergency Managers*

1

Determination & Perseverance

Speakers

Matthias Tooman Emergency Operations Manager	Kristina Spurgeon, MPH Emergency Manager	Kurt Kainsinger, MPH Director, Office of Emergency Preparedness	Joe Brothman, MBA Director, Facilities, EHS, & EM	David Blacksborg, MPH Senior Consultant, BSI

2

Determination & Perseverance

Moderator

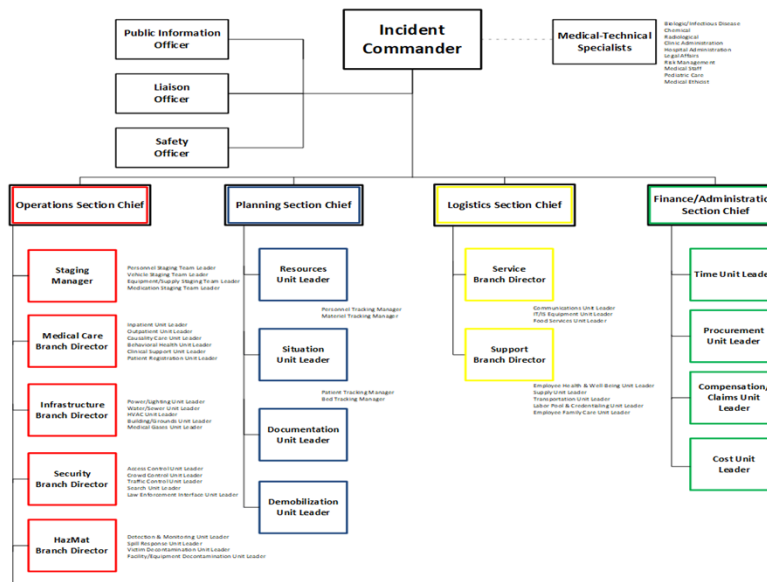

Kevin Dugan, MS, MPH, CHPCP
Director, Emergency Management

3

Determination & Perseverance

Hospital Incident Management Team

4

Hospital Incident Command System

Scalable; can be adjusted depending on the situation

Fixed; binary on/off is not adaptable to different situations

5

6

Orientations and Introductions

- Tell us about your health system.
- What was the first thought you had when you heard about this disease outbreak?
- What caused your site to activate its HCC? What were your initial plans focused on?

Determination & Perseverance

The Path Forward

Increased EM visibility and integration	Fine-tune new processes initiated during pandemic
Long-term planning + increased vigilance	Embrace digital world
Command Center efficiencies → Normal Ops	DEI lens essential
